

2023 Wellsburg Applefest Scholarship Application

Mike O'Brien, passed away in 2026, was the Applefest chairman and had been, instrumental in the festival's success since it began. He is remembered for his kindness, leadership, and love for his community.

About the Applefest: In the year 1800, John Chapman (Johnny Appleseed) floated down the Ohio River from Pittsburgh to what is now known as Wellsburg, WV, to plant fruit trees in the area. Due to this effort, the Grimes Golden apple originated at Grimes Golden Park here in Wellsburg. The annual festival began in 1978 with a group of volunteers to help promote this story, as well as the City of Wellsburg.

About the scholarship: Johnny Appleseed's work led to new breed of apple and those efforts are still impacting Wellsburg today as the Applefest continues. With this application, please include essay of at least 250 words discussing your volunteerism, and how your work has impacted your community or organization.
