

44th Wellsburg Applefest

October 6-8, 2023

*In the year 1800, John Chapman (Johnny Appleseed) floated down the Ohio River from Pittsburgh to the town now known as Wellsburg, WV. His mission to plant fruit trees led to the development of the Grimes Golden apple located at The Grimes Golden Park here in Wellsburg. Since 1978 – **for over 45 years!** – we have been promoting this heritage, and with your help, we can keep this tradition going.*

The Applefest Committee strives every year to provide a family-fun festival for our residents and surrounding communities to come out and visit our city. Throughout the years, our funds have decreased while expenses have increased. Since 1978, our community volunteers have been able to make this event a success. With this in mind, the 44th annual Wellsburg Applefest is in need of your support.

Please consider being a sponsor. We will promote your business or organization with a banner at Town Square throughout the Applefest, along with thanking your business on our Facebook page, Wellsburg Applefest.

Sincerely,

Frank Johnson,
Committee co-chair

Ernie Jack,
